

As the Sun Goes Down

D -- A sus4 --D .../... D -- A sus4 --D

D G D A D
Now that you're so far away --- do you think of me?
D G D A D
Seems like only yesterday ---- walking by the sea
A D G D G A
Staring out across the bay at the dim lights of the town?
D G D A D
The fishing boats were heading home ---- as the sun was going down

D G D A D
We walked along that stony beach ---- like many times before
D G D A D
Listening to those rolling waves ---- lapping on the shore
A D G D G A
I think of what you told me then ---- the words keep turning round
D G D A D
Most of all they come to me ---- just as the sun goes down

A G D
I know I said --- it's all for the best
G D A
to live from day to day
F#m G D
and there's no need to feel regret
G D A - Asus4 -
A
for we both --- know there's nothing --- left to say

(INSTRUMENTAL VERSE)

D G D A D
So now you've found your freedom there ---- does it feel so free?
D G D A D
I know our being together here ---- was never meant to be
A D G D G A
Still I find I think of you when evening comes around
D G D A D

Do you ever think of me ---- as the sun goes down?
