

FULL CIRCLE

(E) B7 A E
There's a place we used to walk down by the river
C#m A E
---- it always made me feel good
(E) A E A
but I went back there this morning and so much of it has changed
E A E
like you and me --- I never thought it would
A B7 E
like you and me --- I never thought it would

B7 A E
BUT IT SEEMS AS THOUGH OUR LOVE HAS TURNED FULL CIRCLE
(E) A E
AND IT SEEMS I'M JUST A STRANGER TO YOU NOW
(E) A E A
BACK TO WHERE WE STARTED FROM --- SO MANY YEARS AGO
E A E
FUNNY HOW THE WORLD KEEPS TURNING ROUND
A B7 E
FUNNY HOW YOUR DREAMS CAN LET YOU DOWN

B7 A E
I remember when those plans all lay before us
C#m A E
--- it seemed so easy at the time
(E) A E A
but seasons came and passed as by 'till plans were turned to daydreams
E A E
and now it seems they've caught us by surprise
A B7 E
and now it seems they've caught us by surprise

(CHORUS -- INSTRUMENTAL)

B7 A E
For there's a life I've grown accustomed to bein' with you
C#m A E
--- I've lost the knack of being alone
(E) A E A
but now it's time to turn around and pick up all the pieces
E A E
I guess I'll soon be feeling right at home
A B7 E
I guess I'll soon be feeling right at home

(CHORUS -- INSTRUMENTAL)
