

Gone forever

(Verse in D minor / Chorus in D major)

/Dm /C /Dm /Dm
I've spent so many lonely nights without you
/F /C /A /A
I've spent so many evenings on my own
/Gm /Gm /Dm /Dm
Seen my dreams go up in smoke, felt my heart was truly broke
/Gm /Gm /A /A
And watched my prospects sinking like a stone

/D /A /G /D
But that's gone forever --- now I never --- need to be alone
/G /D /A /A
Every day is brighter than the last
/D /A /G /D
A weight on my shoulders has lifted and flown
/G /D /A /A /E /E /A /A
And I'm no longer living in the past ----- I'm no longer living in the past

/Dm /C /Dm /Dm
Cos everything I ever felt about you
/F /C /A /A
Was keeping me from sleeping every night
/Gm /Gm /Dm /Dm
Thinking of your gentle face, thinking of your warm embrace
/Gm /Gm /A /A
Wishing I were there to hold you tight **(Chorus)**

/Dm /C /Dm /Dm
You've blown away those clouds of disillusion
/F /C /A /A
You've given me a reason to succeed
/Gm /Gm /Dm /Dm
Filled my heart with inspiration, passion and imagination
/Gm /Gm /A /A
Everything my heart could ever need **(Chorus)**
