

The house will always win

Key of G

/1 /1 /1 /1
I was feeling kinda lucky --- I was riding on a wave
/1 /1 /7----/7----
No way I was going to turn on back
/1 /1 1/ /1
I should've kept my money but I felt so doggone brave
/7 /7 /5 /5
I gambled on the red square and it settled on the black

/1 /1 /1 /1
And you say that you're a winner and you're way out on a roll
/7 /7 /5 /5
You say you've got a system but you're way out of control
/6m /4 /1 /5
I can see your eyes are mesmerised as you watch that wheel spin
/5 /5 /7 /1
And the only thing that's guaranteed -- the house will always win

/1 /1 /1 /1
Now you say that Fortune's smiling -- Lady Luck is on your side
/1 /1 /7 ----/7 ----
Nothing you can do can turn out wrong
/1 /1 /1 /1
You think you're Dr Jekyll but you'll soon be Mr Hyde
/7 /7 /5 /5
You'd better grab your bags and get on home where you belong

(Chorus)

/1 /1 /1 /1
You wear a white tuxedo; you're so suave and debonair
/1 /1 /7 ----/7 ----
You're acting like some seventies James Bond
/1 /1 /1 /1
And all the girls will think that you're some Russian billionaire
/7 /7 /5 /5
But by the time you hit the surface all your winnings will be gone
