

IN MY DREAMS

(Capo 4 – ie in E)

C F C
I woke from sleep this morning with a sweet dream on my mind
G
Dreaming I was holding you once more
C F C
We were walking in the sunshine and I could feel your hand in mine
G C
As you told me that you loved me like before

G F C
OH I KNOW IT'S JUST A FANTASY --- I KNOW IT'S JUST PRETEND
F C G
FOR NOTHING NOW COULD BRING YOU BACK TO ME
C F C
AND I KNOW THAT I MAY NEVER --- SEE THAT FACE AGAIN
G C
YET I'LL ALWAYS HOLD YOU IN MY DREAMS

C F C
You said we had no future so we went our separate ways
G
And I was left to start my life anew
C F C
And I try hard to forget you now and all those happy days
G C
Still I find I'm thinking just of you

(CHORUS)

(INSTRUMENTAL VERSE)

C F C
And now you write to me by email and you send me Christmas cards
G
And I read about the life that you have made
C F C
And I see you in a photograph with a baby in your arms
G C
And I think how it might be if you had stayed

(CHORUS)
