

MEMORIES

(Capo 4 – ie in E)

C – sus 4 – C ---- C – sus 4 - C

Dm F C - Am  
Once upon a time we found each other  
G F C  
it seemed like there was nothing else to find  
Dm G E7 F  
for more than half a lifetime we made a dream come true  
C G C  
now mem'ries are all that's left behind

G C  
MEM'RIES OF BEING YOUR LOVER AND YOUR FRIEND  
F G C F  
HAPPY TIMES AND HURTING TIMES THAT ONLY TIME CAN MEND  
Dm G E7 F  
MEM'RIES OF BEING -- FOREVER YOU AND ME  
C G C  
NOW THOSE MEM'RIES WILL HEAL ME ONCE AGAIN

Dm F C - Am  
Can there ever be a reason why things happen?  
G F C  
you stand and watch the seasons come and go  
Dm G E7F  
now there's a pile of empty boxes, waiting to be filled  
C G C  
with fragments of the mem'ries we owned

CHORUS

(INSTRUMENTAL VERSE + CHORUS)

Dm F C - Am  
Once upon a time we shared a vision  
G F C  
now I hardly know which way to look  
Dm G E7F  
photographs of days gone by all filed away in albums  
C G C  
each mem'ry condensed into a book
