

MISSING YOU AGAIN

G D G
Long time ago ---- back in the summertime ---- back in the year of sixty-three
G D G
You were my love ---- you were my paradigm ---- you were everything to me

D G
-- AND NOW SO MANY YEARS HAVE PASSED AND GONE AWAY
D G
-- I SHOULD'VE LEFT THAT DREAM BEHIND
D G
-- BUT THERE ARE MOMENTS WHEN I LET MY MEMORY STRAY
D G
AND THEN I FIND ---- I'M MISSING YOU AGAIN

G D G
Looking back ---- we never stood a chance ---- but I loved you just the same
G D G
I never stopped ---- to take a second glance ---- driven like a moth to your flame

(CHORUS)

(Stop) D G
--- *Time is a river --- that flows past your life*
D G
--- *While you're still standing on the shore*
D G
--- *Memories are moments ---- frozen in time*
A D
--- *Frozen in time forever more*

(INSTRUMENTAL VERSE & CHORUS)

G D G
Long time ago ---- back in the summertime ---- back in the year of sixty-three
G D G
You were my love ---- you were my paradigm ---- you were everything to me

(CHORUS)
