

NO WRITING ON THIS WALL

A E D A E D
--- Everybody tells me now --- love can never last --- it's just a rainbow in the sky
A E D A E D
--- Like the grains of sand --- slipping through your fingers --- it's bound to slip away in time
E D A D
--- but they don't know you --- the way I do
A E A
--- and they don't understand at all
E D A D
--- so I don't pay no mind to prophesies of doom
A E A
--- there ain't no writing on this wall

A E D A E D
--- And everywhere I walk around --- everyone I see --- they say that love is just a lie
A E D A E D
--- They say it's ludicrous --- to hang on to a dream --- that I'm a fool to even try
E D A D
--- but they don't see you --- the way I do
A E A
--- their minds are way too small
E D A D
--- so I refuse to think a single word is true
A E A
--- there ain't no writing on this wall

F# B
They say that I'm an earth sign --- and you are born of fire
F# B
--- And we should never get along
G# C#
But even in the worst of times --- up against the wire
G# C# --- B --- E
--- I know our love will still be strong
