

NO WRITING ON THIS WALL

C G F C G F
--- Everybody tells me now --- love can never last --- it's just a rainbow in the sky
C G F C G F
--- Like the grains of sand --- slipping through your fingers --- it's bound to slip away in time
G F C F
--- but they don't know you --- the way I do
C G C
--- and they don't understand at all
G F C F
--- so I don't pay no mind to prophesies of doom
C G C
--- there ain't no writing on this wall

C G F C G F
--- And everywhere I walk around --- everyone I see --- they say that love is just a lie
C G F C G F
--- They say it's ludicrous --- to hang on to a dream --- that I'm a fool to even try
G F C F
--- but they don't see you --- the way I do
C G C
--- their minds are way too small
G F C F
--- so I refuse to think a single word is true
C G C
--- there ain't no writing on this wall

A D
They say that I'm an earth sign --- and you are born of fire
A D
--- And we should never get along
B E
But even in the worst of times --- up against the wire
B E --- G
--- I know our love will still be strong
