

TEN LONG NIGHTS

G D
I wonder if you're thinking of me now
A D
I wish that I could speak to you somehow
G D
But the lines are down and I can't use the phone
A D
And I never felt so lost and all alone

G C G A D
IT'S BEEN TEN LONG NIGHTS AND A THOUSAND MILES --- MISSING YOU MORE EVERY DAY
G C G D G
TEN LONG NIGHTS AND A THOUSAND MILES --- FAR AWAY --- SO FAR AWAY

G D
I been travelling for more than twenty years
A D
But there's not another country that compares
G D
With the forests and the hills that I call home
A G
I never want to be away so long

G C G A D
IT'S BEEN TEN LONG NIGHTS AND A THOUSAND MILES --- MISSING YOU MORE EVERY DAY
G C G D G
TEN LONG NIGHTS AND A THOUSAND MILES --- FAR AWAY --- SO FAR AWAY

(INSTRUMENTAL VERSE + CHORUS)

G D
There's a neon sign that's flashing on the wall
A D
Making sure that I don't sleep at all
G D
But tomorrow I can bid this room goodbye
A D
At nine o'clock I'll pack my bags and fly

G C G A D
IT'S BEEN TEN LONG NIGHTS AND A THOUSAND MILES --- MISSING YOU MORE EVERY DAY
G C G D G
TEN LONG NIGHTS AND A THOUSAND MILES --- FAR AWAY --- SO FAR AWAY
