

TRADE WITH THE DEVIL

(Key of D)

(1) /4 /4 /1 /1
(I remember that) evening --- on the road out of Wakefield
/2- /4 /5 /5
There was folk music playing --- as I walked in the bar
/4 /4 /1 /1
-- You were singing a love song --- with some Irish musicians
/5 /5 /1 /1
Playing fiddle and banjo --- and you on guitar

/5 /5 /4 /1
And I still hear it now --- and it carries me back to that day
/5 /5 /1 /1
Just an old Irish love song --- full of heartache and pain
/5 /5 /4 /1
I still hear it now --- like an echo that won't fade away
/5 /5 /1 /1
I would trade with the Devil --- to be with you again

/4 /4 /1 /1
-- And I met you the next day --- on a bright summer's morning
/2- /4 /5 /5
You looked just like an angel --- with the sun on your face
/4 /4 /1 /1
-- And you sang me that love song --- as we walked on together
/5 /5 /1 /1
It's a memory that haunts me --- I could never erase

CHORUS

/4 /4 /1 /1
-- And we grew to be lovers --- and you were all I believed in
/2- /4 /5 /5
We played songs by the river --- in the cool summer breeze
/4 /4 /1 /1
-- But I never imagined --- you'd return home to Kerry
/5 /5 /1 /1
Leaving me by this river --- with that same old reprise

CHORUS
