

Why (do I still love you In my dreams)

(Key of Bb)

/1 /1 /4 /1
Why --- do I still love you in my dreams?
/5 /5(7) /1 /1
Why do I even dream about you --- anymore?
/6- /4 /4 /1
After so long -- like a stranger -- I've been trying to find my way
/2 /2 /5 /5
Why can't I see what lies before me -- for a day?
/1 /1 /4 /1 /5 /5 /1 /1
Why -- do I still love you in my dreams? Why can't I leave that dream behind?

/5 /5 /1 /1
I know it makes no sense -- to keep on loving you
/5 /4 /1 /5
I know it makes no sense -- to keep on living -- in the past
/3- /4 /3(7) /4
But I can't shake that dream aside -- can't ignore that love inside
/6- /2 /5 /5
And it's -- more than I can do -- to fall in love with someone new

/1 /1 /4 /1 /5 /5 /1 /1
Why -- do I still love you in my dreams? Why can't I leave that dream behind?

(Instrumental full chorus)

/5 /5 /1 /1
I know that I should find someone -- to change my life
/5 /4 /1 /5
Someone -- who could matter more than -- everything that's been
/3- /4 /3(7) /4
And maybe -- it'll happen soon -- maybe -- at the next blue moon
/6- /2 /5 /5
And -- everything I've felt for you will -- simply melt away

/1 /1 /4 /1
Why --- do I still love you in my dreams?
/5 /5(7) /1 /1
Why do I even dream about you --- anymore?
/6- /4 /4 /1
After so long -- like a stranger -- I've been trying to find my way
/2 /2 /5 /5
Why can't I see what lies before me -- for a day?
/1 /1 /4 /1 /5 /5 /1 /1
Why -- do I still love you in my dreams? Why can't I leave that dream behind?
